AIG Cyber Differentiators

Cyber Expertise

- One of the largest cyber insurance teams in the Nordics.
- Deep experience underwriting cyber risks and handling cyber claims.
- Enables us to deliver high quality advice and support to brokers.

Global Capabilities

- We can issue cyber insurance policies in over 60 countries around the world.
- Strong support for brokers' multinational and international clients.
- Successful track record tailoring cyber cover for their specialist requirements.

The Cyber Peril

- A stand-out strength compared to many competitors.
- Cover for physical damage or human injury caused by a cyber event.
- An important trend as systems, processes and devices become inextricably linked.

Claims First: Response

- Tried and tested “First Response” immediate IT, forensic and legal help after a breach.
- 1-hour response to help mitigate clients' losses as early as possible.
- No policy retention for “First Response”.

Claims First: Prevention

- A range of complimentary services where annual premiums of \$ 5,000 or more.
- Includes vulnerability scanning, malicious IP blocking, cyber prevention training.
- Helps prevent a cyber loss from happening in the first place.

Smart Cyber Application

- Smart cyber proposal form adapts to clients' sector, size, and cyber exposures.
- Generates immediate summary report of the client's cyber maturity.
- More detail post-bind including cyber risk scores, scenario likelihoods and priorities.
